

WHAT HEALTH CARE REFORM MEANS FOR YOUR ENTERTAINMENT BUSINESS

The recent passing of the health care reform bill allows small entertainment businesses the chance to purchase quality affordable health care and take advantage of tax incentives.

NEW YORK, NY (APRIL 2010) - The White House passing of the Health Care Reform bill marks a milestone in America's history, securing a victory for the Democratic party and the Obama administration. Our special 120 The Work Continues series that marks the progression of President Barack Obama since the January 20th, 2009 inauguration reports Road to Change: What health care reform means for your entertainment business.

Industry feature highlights Three/21 Media creative team directors Nancy Mitchell and Rik Cordero. Powertics interviews Law professor and author Ken Gormley whose new book *The Death of American Virtue: Clinton vs. Starr* returns us to a dark time in our nation's history, *"In a time when the world's issues have taken center stage, affecting the lives of every American citizen we continue to move forward."* - says publisher Tonisha L. Johnson. *"Looking back at only lessons learned we then contribute that experience towards a better future. This riveting book can remind average Americans that those who are*

held high are held accountable. The Death of American Virtue: Clinton vs. Starr is a thrilling read that reaffirms politics is exciting again."
